

3-YEAR WARRANTY

SABROE® SMC MK 5 UNITS

KEEPS GETTING BETTER

Register to get a 3-year warranty on your SMC Mk 5 reciprocating compressor unit and avoid unforeseen maintenance costs.

WHAT'S INCLUDED

- Parts to be replaced outside scheduled and recommended overhauls
- All components on the base frame, including the compressor block, Unisab, valves, coupling and E-motor
- Consequential damage on unit parts and components caused by internal unit failure.

HOW TO GET IT

- Your unit must be equipped with a Unisab control system
- Register your compressor in EasyParts after installation and commissioning
- Register service inspections continuously.

YOUR ADDED COST – NOTHING!

Please note that the warranty has an excess of € 500.

REGISTER FROM 1 MAY, 2018
