How to search

The screenshot shows the Johnson Controls EasyParts website interface. At the top right, there is a user profile section with 'Ref Parts Default Profile | Anne Pouplier | Logout'. Below this is a search bar labeled 'Item Search' with a 'Go' button. A shopping cart icon indicates '4 items'. The main navigation menu includes 'HOME', 'PRODUCTS', and 'ORDERS'. The 'PRODUCTS' menu is expanded, showing 'Search by Serial Number', 'FRICK', 'GRAM', 'SABROE', and 'STAL'. A text box highlights these search options. Below the navigation, a 'WELCOME' message is partially visible. A large banner area contains the text: 'Your one-stop shop for Johnson Controls industrial refrigeration spareparts', 'It's as easy as 1-2-3. Register - Enter - Shop', and 'When registered you will have access to' followed by a list of services: 'Online technical support', 'Online ordering & tracking', 'Documentation', 'Oil Analysis', and 'Warranty Handling'. A green oval at the bottom contains the text: 'Related EasyParts guides: Carts • Quotations • Ordering' and 'Find them on <http://www.sabroe.com/en/parts/>'.

EasyParts Serial Number Search 1970→

- Now possible for all compressors from 1970→
- More compressors are being added continuously
- Easy to find all relevant information, parts lists and bill of materials (only compressors from 1995→)

The screenshot shows the Johnson Controls EasyParts website interface. At the top right, it says "Ref Parts Default Profile | Anne Pouplier Logout". Below this is a search bar labeled "Item Search" with a "Go" button. The main navigation bar includes "HOME" and "PRODUCTS". A dropdown menu under "PRODUCTS" is open, showing "Search by Serial Number" as the selected option, with other options: "FRICK", "GRAM", "SABROE", and "STAL". Below the navigation is a "Search by Serial Number" section with two input fields: "Serial Number" (containing "114997") and "Order Number". A "Search" button is to the right. Below the search fields is a table with the following data:

Equipment Model	R	Serial#	Order#	Brand	Ship Date	Compressor Model
CMO HPO 26 Mk2	R22	114997	219080	SABROE	7/14/2000	CMO 26 Mk2 - A/O

Five callout boxes with arrows point to specific elements in the interface:

- Callout 1:** Points to the "Serial Number" input field. Text: "Type serial number and click search".
- Callout 2:** Points to the "Serial#" column in the table. Text: "Click on the link to get bill of material for this specific compressor." (Note: The arrow points to the "Serial#" column header).
- Callout 3:** Points to the "Order#" column in the table. Text: "Click on the link to see all items sold on this specific order number." (Note: The arrow points to the "Order#" column header).
- Callout 4:** Points to the "Compressor Model" column in the table. Text: "Click on the link to get all relevant information:" followed by a list:
 - Couplings
 - Parts lists
 - Kits & sets
 - Tools
 - Documentation
- Callout 5:** Points to a small icon in the bottom right corner of the table row. Text: "Click on the icon to find and download all relevant:" followed by a list:
 - Technical Information
 - Spare parts manuals

Browse Compressor Types 1970 →

The screenshot shows the Johnson Controls EasyParts website interface. The top navigation bar includes 'HOME', 'PRODUCTS', and 'ORDERS'. A search bar is present with a shopping cart icon showing '0 items'. A left-hand navigation menu is expanded to show 'SABROE' selected. A search results table is displayed with columns for 'Part Number', 'Description', 'Quantity', and 'Substitute', but it contains no data.

Callout Box 1 (Top):

- Browse for compressor types and configuration under PRODUCTS.
- Choose brand

Callout Box 2 (Middle):

- Select either recip. or screw compressors
- Click on the plus icon to expand the menu and browse for specific compressor models.

Callout Box 3 (Bottom):

- Select category.
- Use the Plus icons to expand the list.

The screenshot shows the EasyParts website interface. At the top is a dark blue navigation bar with links for HOME, PRODUCTS, ORDERS, CARTS, and SUPPORT. On the right of this bar is a shopping cart icon with '0 items'. Below the navigation bar are two main sections: 'Model Overview' and 'Search Results'. The 'Model Overview' section contains a tree view of the product catalog: Catalog > SABROE > Screw Compressor > SAB 193 > SAB 193 L. Under 'SAB 193 L', there are links for Kits, Sets, Tools, and Documentation. The 'Search Results' section shows a breadcrumb trail: SABROE > Screw Compressor > SAB 193 > SAB 193 L. Below this is a table with columns: Part Number, Description, Quantity, Substitute, and two empty columns. The table content is 'No data to display'. Two callout boxes with green borders and arrows point to the 'Kits' and 'Sets' links in the 'Model Overview' section. One callout box contains the text 'Find all relevant service kits & sets for a specific compressor.' and the other contains 'And documentation.'

EasyParts Item Search

The screenshot shows the Johnson Controls EasyParts website interface. At the top right, there is a search bar containing the part number "3024.411" and a "Go" button. Below the search bar is a navigation menu with links for HOME, PRODUCTS, ORDERS, CARTS, and SUPPORT. A shopping cart icon shows "0 items".

The main content area is divided into two sections: "Search Filter" and "Search Results". In the "Search Filter" section, there is an "Item Search" input field with "3024.411" entered and a "Search" button. In the "Search Results" section, the filter is set to "3024.411". The results show the "Part Number" as "3024.411" and the "Part Description" as "Rotor Set SAB 128 HF Mk 1-2-3 conversion based on Mk4 rotor set". There is a shopping cart icon with a plus sign next to the part number. To the right of the results, there is a 3D character holding a large green circle that says "Bill of material Get images as PDF under Part List tab!".

Below the search results, there are four tabs: "Overview", "Used In", "Part List", and "Documents". The "Overview" tab is selected, showing "Physical Attributes" and "Stock Information".
