Ordering – how to search

Two ways to search in EasyParts:

1. Item search
2. Compressor search

The screenshot shows the EasyParts website interface. At the top right, there is a search bar with the text "3088.594" and a "Go" button. Below the search bar is a navigation menu with "HOME", "PRODUCTS", "ORDERS", "CARTS", and "SUPPORT". A dropdown menu is open under "PRODUCTS", showing "Search by Serial Number" and a list of brands: "FRICK", "GRAM", "SABROE", and "STAL". A callout box points to the search bar with the text: "1. Item search if you know the part number. Just type the item number and click Go." Another callout box points to the "PRODUCTS" dropdown with the text: "2. Compressor search by either Serial Number or compressor brand. Find them under PRODUCTS." The background of the page features a close-up image of a Sabro compressor with the brand name "SABRO" embossed on it. The top right corner of the page shows "Ref Parts Default Profile | Anne Pouplier Logout". The bottom left corner of the page has a "WELCOME" banner and a list of services: "Your one-stop shop for Johnson Controls industrial refrigeration spareparts", "It's as easy as 1-2-3. Register – Enter – Shop", and "When registered you will have access to: - Online technical support, - Online ordering & tracking, - Documentation, - Oil Analysis, - Warranty Handling".

EasyParts Ordering – how to search for compressors

1. Search for compressor types or serial number under PRODUCTS.

2. Choose brand

3. Select either recip. or screw compressors.
4. Use the Plus icons to expand the list.
